Repair Café Volunteers

Musical instruments

Pete Regan and Diana Sanders

Pete Regan has built his own electric, acoustic and bass guitars. He is a guitarist who has regularly played his own instruments on stage. The repairs and advice he can undertake at the Repair Café include

- Advice on strings and tuning
- Replacing strings
- Bridge, nut and tuners
- Snapped bridge pins
- Neck adjustment
- General set up and intonation
- Problems with switches, sockets
- Advice on adjustments and condition of the instrument

Diana is a musician who has made her own clarinet which she plays on stage. She has a diploma in woodwind making and repair and has worked in a Stockholm music shop repairing flutes and clarinets. At the Repair Café she can do simple repairs and adjustments including

- Pad adjustment
- Cork replacement
- Replacing tuning cork in the head joint of flutes
- Oiling rods, screws etc.
- Advice on general care and cleaning
